ONLINE CHURCH SERVICES by IRC every Sunday, 10 PM EST on #subgenius,
irc.another.net

From the Throne-Office of His Most Holy and Orthodox REVEREND IVAN STANG -- Oct.18, 2 BX

Dear Believers of "Bob":

SEE?? We weren't yankin' you. The last Interim Fist was 8 pages, this one's 16 (with ads, granted), and the next one will be 32 PAGES, with a cover, then 1,564 pages... well, maybe 32 will do. But we plan to crank out FISTS on a quarterly basis from now until X-Day.

JESUS SAVED US. I guess the Christians were RIGHT about THAT part, although they still think this is the wrong Jesus, since He ain't savin' THEM; in fact the only reason He decided to save US was because we work for "Bob." (Dobbs, as you know, doesn't save, but instead provides the SLACK for us to save ourselves.)

Our redoubled efforts have indeed taken us over the hump. Acquiring a toll free number, the ability to take credit cards, streamlining our mail order service, and maintaining the most spectacular website on the planet have proved WORTH THE RATHER CONSIDERABLE EFFORT. TWO can play at the Con's game, so to speak of course, heh heh, and despite the disgust that some of you know-nothing Luddites surely felt upon reading last issue, I feel entirely vindicated at devoting my entire last 2 years to TOTALLY CONQUORING THE INTERNET -- because that's just what we did.

I'm only going to say this one paragraph about the official SubGenius website, and I won't mention it again this issue. Roughly 1,000 people PER DAY look at that thing. We might get that many customers for our BOOKS in 6 months. It routinely gets "Cool Site of the Week" attention, doubling the traffic. Memberships, radio stations carrying Hour of Slack, and more importantly Sales of sacred Goods and Evils, have reached the necessary critical mass, entirely as a result of SubSITE, and you anti-computer yoyos can SHOVE YOUR PARANOID CON-IMPLANTED NOTIONS UP WHERE "BOB" DON'T CARE TO LOOK: YOUR SLOBBERING NEANDERTHAL FACES! Don't get me wrong. We LOVE you cavemen just as "Bob" does. But for every one of you Old-Planet Print-World folks who never got around to ordering that Dobbs CD or T-shirt, or sending in your artwork, there are a dozen Net Subs who DID. AS WELL THEY SHOULD!! The graphics in SubSITE's "Psychedelic Porno Stash" ALONE are enough to justify wiring ANY amount of hate offerings to the Sacred Coffers. The Prairie Squid encyclopedia ALONE in the Hall of Science would justify it. It's EVERYTHING the Internet is SUPPOSED TO BE! In fact, just to be a proper "Internet site" by Conspiracy standards, we also offer the token instructions on how to make an atom bomb from household appliances, Unabomber manifesto, and kiddy porn. (Well, the kiddy porn is actually just a picture of Lisa Simpson washing her cat, but, you know, it's the CONCEPT.) We even have biweekly LIVE SEX-CRAZED ONLINE INTERACTIVE DEVIVALS using "chat room" technology. And DON'T PLEAD POVERTY OR MECHANO-IGNORANCE to ME!!! You're barking up the WRONG TREE, baby. If I could go from computer Homo Correctus to OverMan in 2 years, on NO BUDGET, ANY SUBGENIUS NOWADAYS ought to be able to do it in a WEEK.

But then... heck, we'll all have MWOWM in less than 2 years, anyway, so I can certainly see why any holder of a \$30 Membership Card might NOT BOTHER.

And that brings me to X-Day. At this writing (Oct.18 2 BX), there are 626 days remaining. That ain't long. If we hadn't PUBLISHED Dateline for Dominance, we'd probably have the millions of Members predicted for 1996. But prophecy heeded is prophecy fulfilled (that's the BITCH of Time Control and time travel), and at this rate the Saved won't even fill the 144,000 COACH seats on the Escape Vessels, much less First Class. Which means the Xists MIGHT just CANCEL THE DEAL due to LOW NUMBERS. Or postpone it. Or just tell "Bob" to go fuck it, and sandblast the entire globe. AND WHAT ARE YOU GONNA DO ABOUT IT?? "Turn more friends on to "Bob"?" SCREW THAT. If they haven't picked up on Dobbs' Word yet, they DESERVE to die or WORSE. It's up to YOU. ALWAYS HAS BEEN. Where before you ordered a BUTTON, now order ALL 550 HOUR OF SLACK tapes. Where before you xeroxed a flyer, NOW HIJACK A RADIO STATION. Where before you skimmed through BOOK OF THE SUBGENIUS every now and then on the toilet, NOW MEMORIZE IT and scream it aloud on the bus.

The End Times are nipping at our heels, dear friends. This is NO TIME to SLACK OFF. FALSE Slack off, that is. The Conspiracy has become so powerful that they can BRAG in the mass media about how there's a secret CIA-Mafia-Nazi-oil company shadow government running the New World Order. They can BOAST OPENLY that they torch whole cult compounds full of families that dare to be HARMLESS LOONIES who FEAR NORMALS. They SHOW OFF their

"crashed saucers" and turn them into TOURIST TRAPS!!! THEY CAN DO ANYTHING THEY DAMN WELL PLEASE, and it's all just more "entertainment" to the PINKS. HELL -- they even SHOWED THEM A PREVIEW OF X-DAY in theaters last summer, in which THE PINKS WIN!!! Every other TV and radio AD has some PINK EVERMAN named "Bob" submitting to antiSlack happily.

Are you gonna stand for this? Are you just gonna eat, get stoned and watch the tube? THAT MAY BE JUST WHAT DOBBS COMMANDS YOU TO DO. But if he moves you to mayhaps RISE from your ASS, and do something that actually takes a little EXTRA ENERGY, like agent our next Ukrainian bomb purchase, or "bill" our latest trademark infringer, or make a million bucks, or find your True Yeti Mate and parent the Twins Who Bear the Scissors of Sight, or pull a Janor on the Federal Building, WILL YOU THEN FALTER? Will you WAVER JUST A BIT in your determination? Will you PINK OUT?

As we've said a million times, we won't tell you what to do. Only you know what that is, in your case. But for Dobbs' sake, don't then NOT DO IT!!

CERTAINLY the Pinkness around us, and the sheer massive weight of the Conspiracy, is enough to send any SubGenius spiraling into depression and paralysis. SURE. Don't feel GUILTY if it HAS, so far. There IS a cosmic Slackfulness to blowing everything off, even Slack. But ACCEPT THIS PEP TALK!!! If you knew HALF the toil, orgasms and brain damage that it has cost US just to keep the PO BOX open, and how WORTH IT it is to "FUCK THE MAN" ANYWAY, you would LISTEN UP! This ain't no nickle-dime bum show, this is the REAL THING -- YOUR LIFE and how NOT to WASTE IT. It's the age old problem of distinguishing False Slack from True Slack. True Slack jazzes you up while making you high as a kite and not feelin' any pain. False Slack dulls you out while making you drunk as a Pope and not feelin' any pain. You CAN tell the difference. Not every SubGenius is an Emergentile; in fact, 78% are Rewardians. But even the most grossly slothful, X-Files-and-Frop addicted Rewardian SubGenius is capable of 40,000 times more effective Casting Out of

False Prophets than is the most Type-A coffee-achiever Pink. Your ONE PRANK CALL to the local radio talk show COULD BE the domino that starts The Arisal. Your ONE ECONOMIC TAKEOVER and SUBSEQUENT DICTATORSHIP over some SEEMINGLY USELESS NATION might just be the straw that breaks Goliath's back. SO WHAT ARE YOU WAITING FOR?? APPROVAL FROM DOBBS?? Hell, HE don't care. He's probably watching the X-Files. But YOU AREN'T HIM and so you must SERVE HIM!! SERVE DOBBS! Don't wait to be trussed up and served to him with an apple in your mouth like the rest of the Bobbies. TAKE COMMAND! Stuff the apple in HIS mouth and BRAISE him well! Core out the apple in your own head, spraypaint it gold and throw it to the mongrel dog Pinks who'll FIGHT over it until they fuck their EVERYTHING up. YOU MAY BE THAT ONE SUBGENIUS, that "13th Apostle," whose ONE SARCASTIC REMARK, at JUST THE RIGHT MOMENT, is the heretofore missing link in the chain reaction that melts down the Con self-fueling reactor. You NEVER KNOW.

Just don't miss your chance, that's all we're asking. Just when you are ready to give up, when any Pink would have caved in AGES before, MAKE THAT ONE LAST HERCULEAN EFFORT. At whatever. One of you is the one, *the one who shall make uncut the Scissors of Sight.*

Well. Ahem. Enough of that. Back to business.

The 1996 X-Day Drill, held at Brushwood Folklore Center, the, eh, campground in Sherman, NY, where we'll ALWAYS hold these things, was a TREMENDOUS SUCCESS. Actually it was a bust in terms of how few were able to stay conscious for the 7am Services. Judging from the Drill, most of you will snore loudly through The Rupture. HOWEVER!! Everything else was... MORE than we promised. There was Prairie Squid Sex. There was nudity galore, including a naked Baptism BY JESUS in the pool. There was violence. There was KICK-ASS ranting and music. There WAS 'frappy. All Subs got laid. Jesus was scourged but Dobbs was crucified and BURNED ON A FLAMING CROSS. Dr. Legume and Circus Apocalypse mutilated themselves and

art by sternodox

others for the prurient enjoyment of the paying worshippers. Greys showed up and even El Diablo was there. Bobbies were tortured and EXECUTED. PILS were doled out at 7 am. The videotapes prove it all. The Foundation even made a profit. Slack-wise, it was as close to Dokstok as you're gonna get, and the '97 Drill will certainly be even better, like an insane cross between the Million Burning Man March and the Day of the Dead, mixed with swinger's and sci fi conventions, recombined with the Shrine Circus, the Running of the Bulls in Pamplona, an Annie Sprinkle show and an Hour of Slack.

START PLANNING FOR X-DAY DRILL '97 NOW!!

The more staid, show-biz type of devivals continue apace, like floating crap games that move swiftly from town to town. If there is a devival in your city, EVERY MEMBER IN YOUR STATE will get a postcard about it. That's how we do it. (And you can always check the website. or the devival hotline) I will admit that for the last several YEARS this action, and the radio shows, have taken place only East of the Mississippi and north of the Mason Dixon line (aside from Atlanta), and in Canada and England. If you happen to live in Chicago, or the NYC area, or Cleveland, or Philly, etc., BY GOLLY it seems like the Church is right up there with Scientology and Michael Jackson. Imagine the shame that I as a Texan feel about that. Let me put it this way -- we tried. But even the West Coast booking agents of GEAR and NEGATIVLAND said we were "too weird." YET WE PERSEVERE. We will try ANYTHING.

Signs of the End Times? Did the migration bounce back? Or is it just that in the West something can only be "cool" once? Who cares. Kill 'em all, let "Bob" sort 'em out. The Church is FAR BIGGER than The SubGenius Foundation and its mass media affiliates and puppets; the Church is as big as the inside of your head.

Wait a minute.

You know what I mean. Anyway, I, and hundreds of others, could go on forever about our minuscule ego's eye views of the Church, and our personal experiences, and we do -- deep in the archives of SubSITE. (Oops, said I wouldn't mention that again.) But a STARK FIST should be

equal parts ranting, practical Other Mutants/HighWeirdness info, tattoo-worthy graphics, ads, and the Unbesmirched Word. Now that we have recommitted to a regular mere-print old-universe publishing schedule (made possible by our electronic ministry), I COULD take the easy way out and just reprint a few pages off the website, only in black and white and 2D. But no. NHGH says The Old Ways are Best. BEST NOT ARGUE WITH NHGH, huh kids?

Your Prayer Partner

Rev. Stang

P.S. DON'T WORRY. For every Rev. Stang who spends all his spare change on computer upgrades, there's a Dr. Legume who spends all his on GUNS. Whether the future is BladeWarrior or RoadRunner, the Church will survive. The only difference will be whether you pay your hate offerings to Rev. Tyrell or Dr. Humungous. Either way, "Bob" has promised that you will be protected. And ask yourself, now -- would "Bob" fuck up?

Patrolman WILLIE B. SLACK, Dallas Police Department, who resides at 5605 Sumatra Street, Dallas, was interviewed at his residence. SLACK was advised that he was not required to make a statement; that any statement he did make might be used against him in a court of law and that he had the right to legal counsel prior to making a statement.

Patrolman SLACK advised that on November 24, 1963, he was assigned to the City Jail Office from the hours of 6:30 a.m. until 2:30 p.m. This assignment was given him by Lieutenant WOODROW WIGGINS, Service Division.

Patrolman SLACK advised that he does not know JACK RUBY, has never met him and has never talked with him. He added that he has never been employed by RUBY at any of his establishments and knows of no other police officer who has been so employed.

Patrolman SLACK stated that his duty on November 24, 1963, was to advise the dispatcher when LEE HARVEY OSWALD was placed in an armored car and removed from the basement area of City Hall to be taken to the County Jail. He stated that during the time he was on duty there, no one but authorized personnel was admitted in the Jail Office. He stated that at about 11:25 to 11:30 a.m. OSWALD was brought down to the Jail Office by elevator and there were two detectives on either side of them. They passed through the office and through the door leading to the corridors, which corridors lead to the ramp where cars entered and left the basement area. He stated that he could see fairly well this area through a 12x12 inch glass in the corridor door. He stated that he followed with his eyes OSWALD and the detectives but did not have a clear view of individuals beyond OSWALD, inasmuch as the detectives behind him cut off his field of vision. He stated he did not notice RUBY walk out and up to OSWALD and did not see the shot which was fired at OSWALD, although he heard same. He stated that immediately following the shot,

Other mutants

Greetings and Slackness, Frate y Sorte Yetisyn! Guided only by the one-love, one-faith of the all mighty Dobbs, the Sacred Scribe and myself have finally completed the noble and worthy task of updating the Other Mutants Resource list. Below is the first part of the extensive guide to your Brother and Sister SubGenii, as well as other freaks, visionaries, cults, and kooks. When compiling this guide we quickly realized we were creating the beginnings of another High Weirdness, something that Dobbs has not yet instructed us to do. So we meditated upon the holy scriptures for direction and arrived at some loose guidelines of what to include in this most sacred of lists. The easiest way is to be a renegade SubGenius or disorganized Clench distributing your own SubGenius propaganda, tapes, pamphlets, 'zines, holy relics, stickers, used napkins, etc. The next would be to be a SubGenius or other Patrio-psychotic Anarcho-materialist selling Church sanctioned merchandise. Finally, would be to be a Subsymp (SubGenius sympathizer), and regularly advertising for the Church, or otherwise advancing "Bob's" directives. In otherwords "Ask not what "Bob" can do for you, ask what you can do for "Bob"-prescriptions 8:4. So, if you feel you are worthy of "Bob's" notice send us your info, with an example of your propaganda to: Other Mutants c/o The SubGenius Foundation 140306 Dallas, TX 75124. So mote it be, hail and farewell, as above so below, live long and prosper, may the wind be at your back, you're all very dear to my cock, shalom, ahimse, avedisen, amen, ...or kill me. — Jesus Christ

DISCLAIMER- The SubGenius Foundation Inc., it's officers, and share holders are in no way responsible for any result of attempting to contact the below organizations or individuals. We do not guarantee their services or necessarily support their views or opinions. If you are ripped off, it's your tough luck, but let us know and we will take it to grand high council, whereupon a decision will be handed down from Church Hierarchy and if deemed needed the offending address will be removed from all records.

Stick it to the Con!

"BOB'S" LONG DISTANCE SERVICE

• Frightening but true, as predicted in Holy Scriptures "Bob" has begun his global takeover by slowly conquering all of the earth's commodities. The first (at least publicly) is the telecommunications market. Making it appear as

a break up of the Long Distance monopoly. Dobbs has somehow managed to capture the *entire long distance market*. And now's he's passed the fortune on to us.

Ok, so he screwed us again, but it seemed like such a great deal at the time. Here's the scoop — you switch from your money grubbing, suck-monger, Conspiracy-operated long distance company to Dobbs' money grubbing, suck-monger, Conspiracy-operated long distance company and a whopping 2% of your phone charges are donated directly to The SubGenius Foundation Inc. in your name. (5% if you're a small business)

Your billing will stay the same. The Conspiracy quality will go unchanged. Your phone bill will probably stay the same or decrease. You get 30% off long distance rates for ALL domestic long distance calls, and 50% off when you call other mutants who

have also signed up. There's a \$1 monthly charge, and some long distance companies charge for the change (usually \$5). You also have 90 days to change back, with the "Company" picking up any charges to switch you back. But wait that's not all! Act now (or ever) and you also get a FREE travel guide with 50% discounted room rates and travel coupons!

• Best of all you get TONS of Slack by being able to blow off the Conspiracy's telebothering pink-slaves that call to get you to change back. You can tell them you are now with "Bob's" long distance. Oh yes, they will tempt you with sex, savings and even hard cash, but you can stay fanatical by screaming into the phone. "But how much will you give to "Bob" and the mighty Church of the SubGenius!" That'll show 'em...

• Due to the reputation of the "Company" they didn't want their name printed ANYWHERE even close to the Stark Fist. Don't worry they are a huge Conspiracy company, but at least they're willing to tithe *something* to "Bob". They will answer any and all questions when you call.

Yes! I want "Bob" to have 2% of my Long Distance Charges!!

• Call 1-800-875-9235

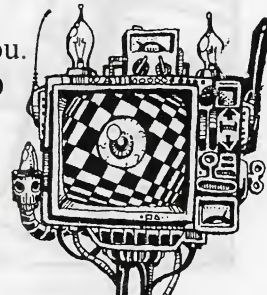

• Ask any questions you may have. They will help pick the best rates for you.

• If you decide to switch, give them the following REPRESENTATIVE ID NUMBER : 175-17-9673

• Remember, you are dealing with the Conspiracy. They will not know of "Bob" or the Church.

• Don't Switch back. *You will be tempted.* The others give NOTHING to the Church.

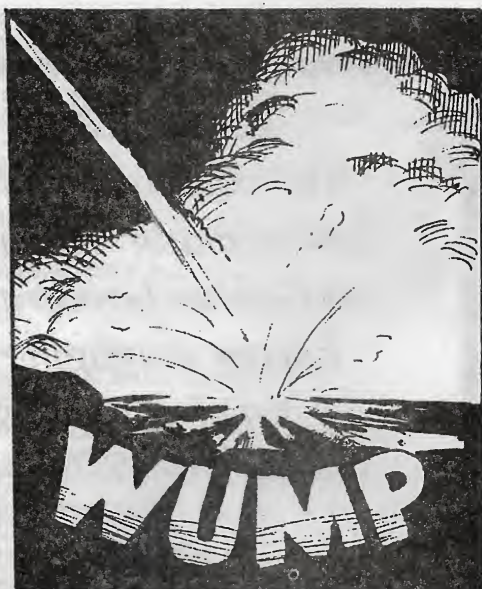

• Trust "Bob"

If you have an organization, company, or a group of friends and would be interested in getting 2 to 5% of long distance charges call Jesus at 1(888)669-2323
